2024 INTERNATIONAL SERIES

2024 Pinot Noir [DRY]

Made in B.C. from California Grapes

Vintage Note:

Due to the severe winter in 2024, we were unable to harvest fruit from our vineyards. Adding to that, 40% of our vineyards are undergoing replanting in 2025 to replace the vines that were lost. A first in our 39 year history. To help keep our cellar doors open and ensure we have wine available for you to enjoy, we elected to purchase fruit from the USA for our 2024 vintage.

Winemaking:

A small cold soak followed a carefully managed and gentle ferment. Extended time on skins post ferment. A wine from a completely different terroir made in our traditional house style.

Taste Profile:

Bright and fresh. Notes of Morello cherry, black currant, nutmeg and clove. Soft chalky tannins.

Serving Suggestions:

Ideal with game, turkey and veal, excellent with robust cheeses.
