Description:

In the heart of North America's most northern desert, is the home of DRY ROCK VINEYARDS. The vineyard is known for its unique microclimate, southern exposure and rock soils. Maintaining lower yielding crop levels, offers higher concentrations of intense flavours.

Taste Profile: UNOAKED

Chardonnay's slow and cool fermentation with extended 'sur lie' development, contributes to its complexity and creamy texture. Distinctive nuances of pear and pineapple show on the palate.

Serving Suggestions:

A great social and food wine. Ideal with salads and seafood though it will also pair well with today's lighter foods.
